

First day of trading in PPI Public Property Invest AB (publ) on Nasdaq Stockholm

NOT FOR PUBLICATION, DISTRIBUTION OR RELEASE, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA, AUSTRALIA, THE HONG KONG SPECIAL ADMINISTRATIVE REGION OF THE PEOPLE'S REPUBLIC OF CHINA, CANADA, JAPAN, SOUTH AFRICA OR ANY OTHER JURISDICTION WHERE SUCH PUBLICATION, DISTRIBUTION OR RELEASE WOULD BE UNLAWFUL OR REQUIRE REGISTRATION OR ANY OTHER MEASURES. PLEASE SEE "IMPORTANT INFORMATION" AT THE END OF THE PRESS RELEASE.

PPI Public Property Invest AB (publ) ("PPI AB" or the "Company") announces that trading in the Company's shares on Nasdaq Stockholm commences today.

As previously announced, on 15 May 2026, PPI AB completed a cross-border merger with Public Property Invest ASA ("**PPI ASA**") to effect a relisting on Nasdaq Stockholm and a secondary listing on Euronext Oslo Børs. Upon completion of the merger, all PPI ASA shareholders had their shares in PPI ASA exchanged one-for-one with shares in PPI AB, and PPI ASA was delisted from Euronext Oslo Børs. Today, 20 May 2026, is the first day of trading in the shares of PPI AB on Nasdaq Stockholm. The first day of trading on Euronext Oslo Børs is expected to be tomorrow, 21 May 2026.

In connection with the listing on Nasdaq Stockholm, board members and members of the management team, and persons closely associated with such persons, will report that they, as a result of the merger and as a part of the listing process, have received financial instruments in the Company.

PPI AB's shares will be traded under the ticker symbol PUBLI and the ISIN code SE0028799411 on both Nasdaq Stockholm and Euronext Oslo Børs.

Advokatfirman Vinge KB and Advokatfirmaet Thommessen AS are legal advisers to the Company in connection with the listings and the merger.

IMPORTANT INFORMATION

The publication, release or distribution of this press release may be restricted in certain jurisdictions. Recipients of this press release in the jurisdictions in which this press release has been published, released or distributed should inform themselves about and observe such restrictions. This press release does not constitute an offer, or a solicitation of any offer, to buy or subscribe for any securities in PPI AB in any jurisdiction.

This press release does not identify or attempt to identify any risks (direct or indirect) that may be associated with an investment in securities of PPI AB. The information contained in this press release is published for background purposes only and does not purport to be complete.

This press release does not constitute an offer or invitation to purchase or subscribe for securities in the United States. The securities referred to herein may not be sold in the United States absent registration or an applicable exemption from registration under the U.S. Securities Act of 1933, as amended. The information contained in this press release may not be announced, published, copied, reproduced or distributed, directly or indirectly, in whole or in part, in or into the United States, Australia, Belarus, Canada, the Hong Kong Special Administrative Region of the People's Republic of China, Japan, New Zealand, Russia, Singapore, South Africa, South Korea, Switzerland or any other jurisdiction where such announcement, publication or distribution of this information would be contrary to applicable laws and regulations.

This press release is not a prospectus as defined in Regulation (EU) 2017/1129 (the "**Prospectus Regulation**") and has not been approved by any regulatory authority in any jurisdiction. PPI AB has not authorised any offer of securities to the public in any member state of the European Economic Area ("**EEA**").

This press release contains certain forward-looking statements that reflect PPI AB's current views with respect to future events and financial and operational performance. Words such as "intends", "expects", "anticipates", "may", "plans", "believes", "estimates" and other expressions that are indicative or predictive of future developments or trends, and that are not based on historical facts, constitute forward-looking statements. By its nature, forward-looking information involves known and unknown risks and uncertainties because it is dependent on future events and circumstances. Forward-looking statements are not guarantees of future performance or development and actual results may differ materially from those expressed in the forward-looking statements.
